In this picture I can see what it seems to be an outdoors clothes fair. It´s a rainy day but still, there are people visiting this place. At the background of the picture(PUNCTUATION)I can see people wearing Winter clothes like long pants and warm jackets or raincoats. In the foreground of the picture there is a men and a women walking under a big colourful umbrella and I think that they are a couple. This umbrella covers their faceS(PUNCTUATION) but because of THEIR clothes and their body shapeS (PUNCTUATION)you can (OR CAN´T????))know who is who. The men i son the right side and he is wearing plain grey trusers and green rubber boots. On the left side, next to this men, there is the women. She is wearing a blue raincoat, very necesary for a day like this, a blck pair of trousers and red rubber boats. On her left hand, she is carrying a yellow bag. Perhaps they bought something at the fair. Personally(PUNCTUATION) I like this picture bu, at the same time it calls my atention that they are going there in a rainy day.
