**Practice 2**

*Read the text below and correct the underlined errors.*
*For each question, write the correct word in the space provided on the answer spaces.*

**Social Media**

It may look like a lot of aimless **(0)** hung around when teenagers loiter with their friends. However, what they are **(1)** done is in fact experimenting, trying out skills, and succeeding or failing in tons of tiny real-time interactions. Today, modern teenagers are learning to do most of their communication **(2)** as looking at a screen, not another person. Speaking indirectly **(3)** preventing clear communication, but that's not all. Learning how to make friends is a major part of growing up, and friendship **(4)** required a certain amount of risk-taking. When there are problems that need to be **(5)** faces, it takes courage to be honest about your feelings and then hear **(6)** how the other person has to say. Learning to effectively cross these bridges is part of what makes friendship fun **(7)** or exciting as well as scary. Part of healthy self-esteem is knowing how to say what you think and feel even when you **(8)** does not agree with them.
