Read the article. Circle a, b, or c.

A British Institution

Every evening, people all over Britain tune in to BBC Radio 4 and listen to an introductory tune that [1]____ every night for more than 60 years. It is the theme tune to *The Archers*, the longest-running radio [2]____ in the world. *The Archers* is [3]____ just before seven o'clock. The programme is about life in the fictional village of Ambridge. The aim of the show was to give [4]____ information about new farming methods after the Second World War. The programme was originally about the lives of three farmers: Dan Archer, Walter Gabriel, and George Fairbrother, but a lot has changed [5]____ the first episode. The Archers' family farm, Brookfield, no longer belongs [6]____ Dan. First, it passed to Dan's son, Phil, and his wife Jill, and now it is owned by [7]____ four children. Their son, David, manages Brookfield, and he keeps animals as well as growing [8]____. The programme has been very [9]____, and at the height of its popularity, it was estimated that 60% of British adults were regular listeners. Today, it isn't quite as popular [10]____ it used to be, but it still has over a million listeners.
