WELCOME STUDENT

NAME :

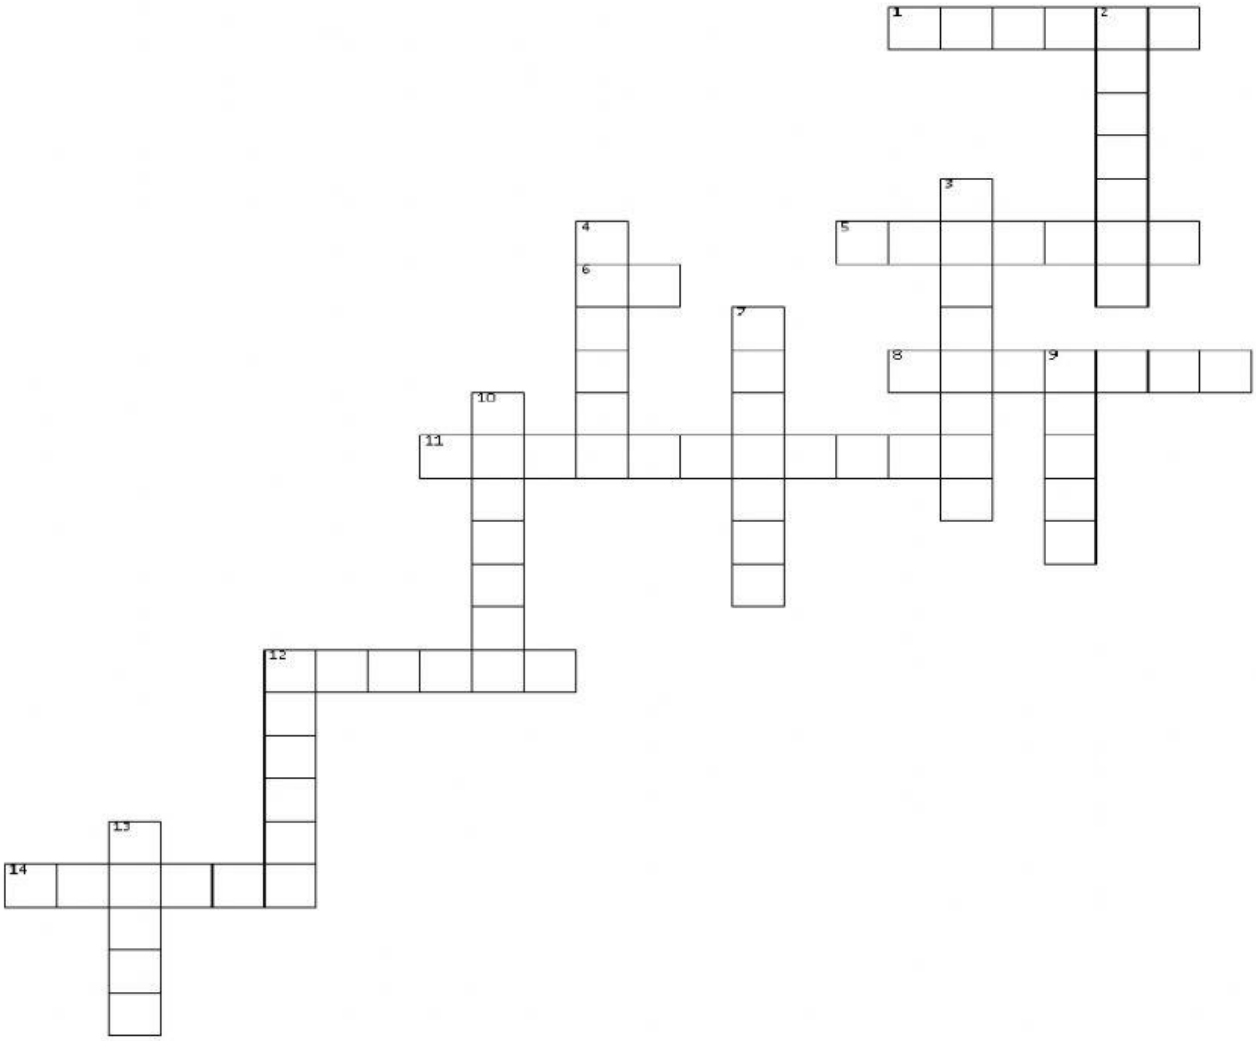
CLASS :

MATERIAL :

Use the clues to fill in the word above. Words can go across or down:

- Read the following questions
- Answering questions that have been read
- Charge to the boxes that are already available according to declining and horizontal order

A HYDROCARBON CROSSWORD PUZZLE



LIVEWORKSHEETS

QUESTION :

ACROSS

1. The entire saturated hydrocarbonalifatic compound thread count three
5. Alkana hydrocarbon dating formula kimia c_6h_{14}
6. Light hydrocarbonicsfoubd in earth's gas
8. A kareon compound that opens the chain and that chain enables for separatoin

11. Kareon compound composed of hydrogent atoms

12. Saturated alifatic hydrocarbon compounds all of which are tunggal c-c

14. The simplest gastric ch_4 chemistry

DOWN

2. The most monocarbonous, monochromtic compound hs one ring structure cycloparaffin
3. The hydrocarbons that are used for the use of cholesterol
4. Two or so compounds that have molecular water same with different structures
7. A mixture of hydrocarbon used to make candle wax

9. A mixture of amorphous natural hydrocarbons of a substance solid
10. A mixture of hydrocarbon
12. Saturated alifatic hydrocarbon compounds with lasc
13. Compact hydrocarbon found in earth's gas
