SIMILE OR METAPHOR

A ***simile*** is a comparison between two things that uses the word ***like*** or ***as***: Her smile is as bright as sunshine.
A ***metaphor*** is a direct comparison between two things that does not use *like* or *as*: ***Her smile is sunshine***. The word *metaphor* is more broad and can also refer to a variety of ways of comparing or connecting different things, including those that don't use words at all.
