

Science
Term 2 - Week 1 - Reinforcement
Worksheet # 03

Name: _____

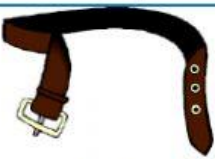

Class: I

Date: _____

Topic: Materials around us

This worksheet is linked to the shared video lesson. The objective of today's learning is:
✓ To classify things into categories according to the material they are made of.

Identify the material that these things are made up of and write them down in the table given below. The task can be done on a loose sheet or a rough journal.

 newspaper	 glasses	 sandal	 pencil
 belt	 sweater	 book	 scissors
 chair	 mouse	 ring	 motorbike

wood	plastic	metal	paper	leather	glass	fabric

How do you feel about your understanding? You can draw the faces on your rough journal.

Objective			
I can classify things into categories according to the material they are made of.
