Learn To Fly

Foo Fighters

lyricstraining

1 Run and tell all of the angels
2 This could take all night
3 Think I need a devil to help me get things right
4 Hook me up a new revolution
5 'Cause this one is a lie
6 We sat around laughing and watched the last one die
7 ...
8 I'm looking to the sky to save me
9 Looking for a sign of life
10 Looking for something to help me burn out bright
11 I'm looking for complication
12 Looking 'cause I'm tired of trying
13 Make my way back home when I learn to fly high
14 I think I'm done nursing the patience
15 It can wait one night
16 I'd give it all away if you give me one last try
17 We live happily ever trapped if you just save my life
18 Run and tell the angels that everything is alright
19 I'm looking to the sky to save me
20 Looking for a sign of life
21 Looking for something to help me burn out bright
22 I'm looking for a complication
23 Looking 'cause I'm tired of trying
24 Make my way back home when I learn to fly high
25 Make my way back home when I learn to fly
26 Along with me, I can't quite make it alone
27 Try and make this life my own
28 Fly along with me, I can't quite make it alone
29 Try to make this life my own
