## Reading

**Read the three texts and write B for Becky, E for Eric or N for Natasha.**

**Becky**

I have bought many things online and I don't find it complicated at all. You can shop around and find the best bargains because it's so quick to move from one site to the next. I know that some people get nervous about using credit cards online but I've never had any problems. I can't stand it when sites try to promote other products for me to buy. I have my own mind, you know. Even if I like what they have to offer, I refuse

**Eric**

I shop online sometimes for things like DVDs, but I'd rather buy other things like clothes and shoes from stores. I mean, you can't try on anything to see if it fits, so I think there's no point. So, I usually go to a department store which is close to my house. I enjoy window shopping a lot, and if I'm feeling down, a good shopping spree always makes me feel better. Also, my cousin has her own clothing store with lots of

**Natasha**

I have a huge family and I buy all my gifts for people online. It's so convenient because it's so easy to browse, there is a wide variety of things to buy and most sites gift wrap items, too. I know that you have to pay for delivery, but things are usually cheaper online and some sites even suggest ideas about what you might like to buy. Most of these aren't really worth it, but it's a good way to learn what the site offers.

That can be a rip-off. | handmade clothes, so I ought to help her out by buying stuff from there every now and then. | Also, I live quite a long way away from any good stores so it's difficult for me to go on shopping trips. I'm a little worried about using my credit card a lot, but what can I do? |

**1.** I think buying certain things online just isn't practical. ☐

**2.** I believe in shopping therapy. ☐

**3.** I hate it when a website recommends things that I might like. ☐

**4.** It's inconvenient for me to buy things from stores. ☐

**5.** I don't mind using my credit card to buy things online a lot. ☐

LIVEWORKSHEETS

**Instructions:**

**Write an essay about the topic "People love shopping".**

Remember to follow this structure: **introduction, development, and conclusion**.
Organize your ideas and write your text in a logical way. You can add more information, if necessary. Include the vocabulary about shopping.

You can get ideas from these questions:

- Why do you think people love shopping?
- Do you enjoy going shopping? Why?
- Do you think buying many things is very important? Why?
- What kind of items do you consider most vital to buy and why?

WRITE THIS ACTIVITY IN YOUR NOTEBOOK.
