Reading Comprehension

1) Read the text carefully and tick the words you hear in the video about nature.

Harry at the park

My name's Harry. I'm ten years old. I'm tall and thin. My favourite day is Friday. My favourite month is May and my favourite number is 16, because my birthday is on May the 16th.

I'm from Argentina. I live in Buenos Aires. I'm at a big park. Today is a fantastic day, there is a rainbow and a little cloud next to the sun.

In the park there is a green and brown tree, a large blue river, a big mountain and a purple and yellow animal. Its name is Hoopla.

There are some beautiful red flowers, some grey rocks, ten insects and yellow bees. There is a plant with a big green leaf and a colourful butterfly on it.
