My Favourite Subject

Read the text and fill in the gaps.

My name is Ann. I am twelve years old. I study at the (1) …….. grade. We have a lot of interesting subjects at school: the Ukrainian Language, Literature, Mathematics, History, Physics, Chemistry and others. Some pupils prefer to learn (2) …… languages, Literature, History; others (3) …. ……. learning of Physics, Chemistry, and Mathematics etc.

My (4) ……. subject is English. Nowadays the English language is the language of culture, politics, and international relations. The English language is taught in the kindergartens, (5) ……..and universities.

Also we shouldn't forget that English is the language of great (6) …… and American literature. We all know such great writers like William Shakespeare, Daniel Defoe, (7) …….., etc. But not everyone can read the works of these great writers in the original.

I try to learn a lot of words, read (8) …… , newspapers and magazines in English, listen to English (9) …….. and teaching cassettes. Our teacher of English is very experienced. During our lessons, we read, write, repeat words and ask (10) …….

I hope that I will (11) …….. English very well in the future. The knowledge of language helps people from (12) …….. countries to communicate with each other, write letters or just travel.

I think that at the present time the knowledge of a foreign (13) …… is necessary for every person.
