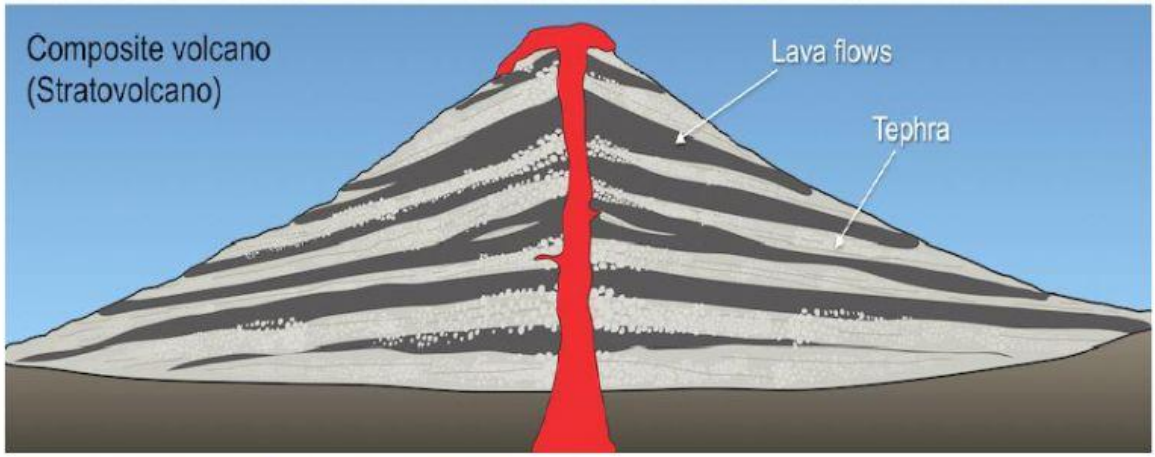
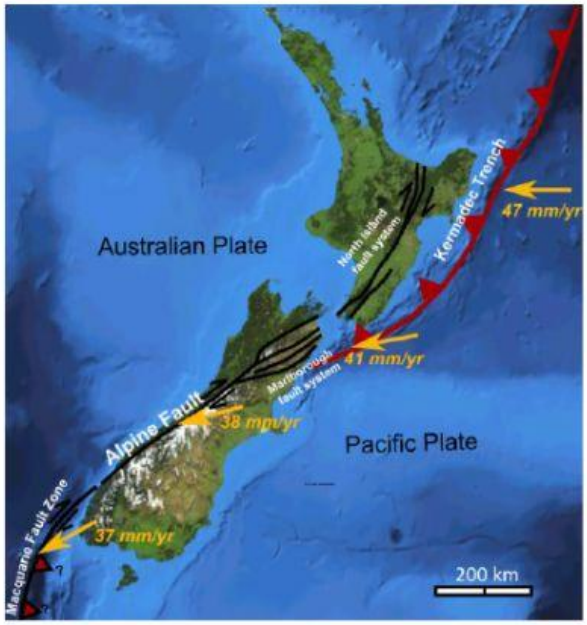
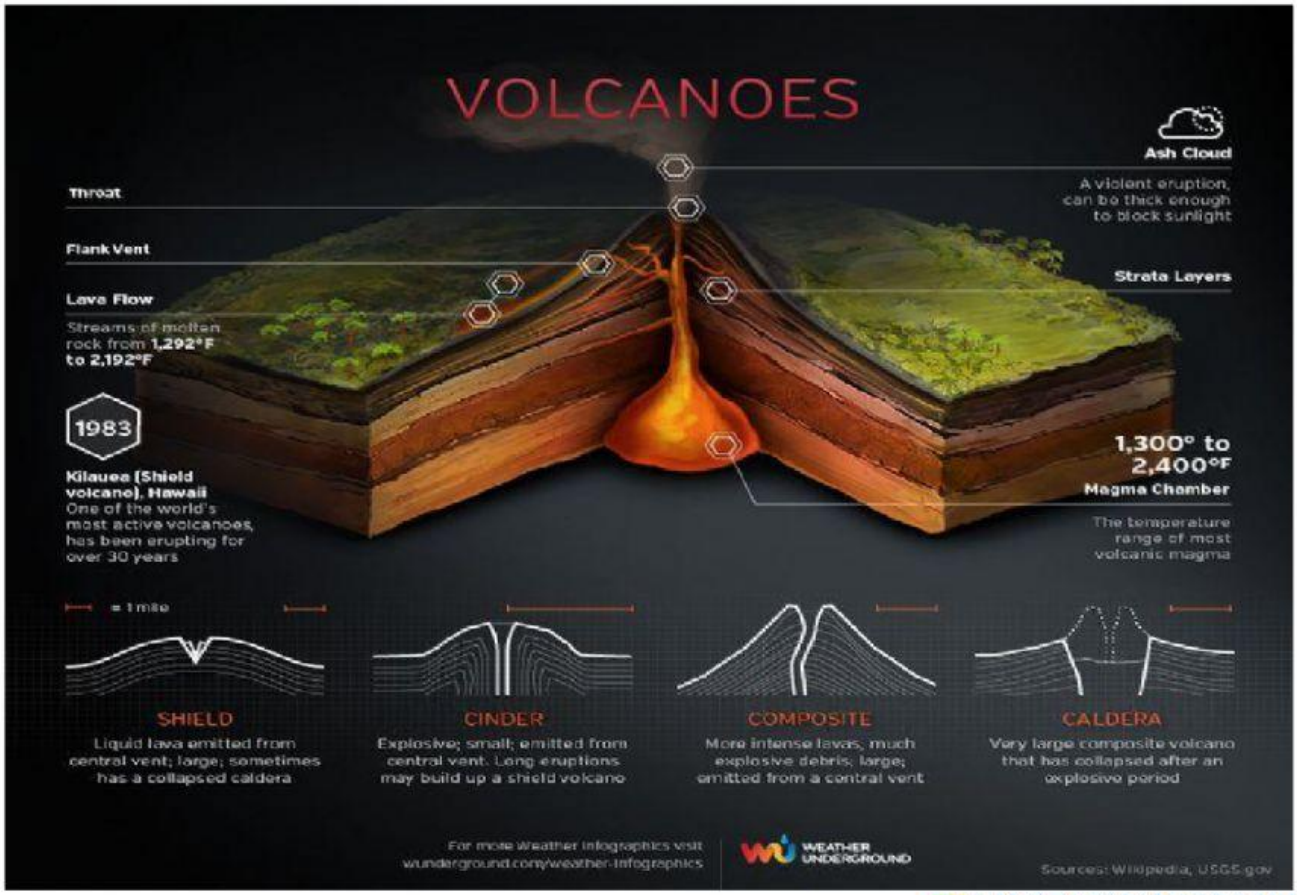
7.10 Volcanic Landforms





LIVEWORKSHEETS



LIVEWORKSHEETS

1. What type of lava is produced by volcanoes? What does it look like when cooled?

2. How did the columns in the video form?

LIVEWORKSHEETS

3. How was Fingal's cave formed?

4. Describe a basalt lava that doesn't contain much gas flows.

5. How does basalt behave when it has a lot of gas trapped within it?

LIVEWORKSHEETS

6. How does the violence of the eruption of the flow with the gas compare to an eruption of a felsic volcano like Mt. St. Helens or Mt. Pinatubo?
