Sports day at school

Hello! I'm Holly and Harry's Mum and I had a very busy morning! It was sports day at the children's school. My other daughter, Emma, is only three so she hasn't started school yet. I decided to take her with me to see the older children doing their sports. We were leaving the house when Emma remembered her new doll. She wanted to take it with her and she was crying. I went into Emma's bedroom. It was really untidy! I found the doll under a blanket. Emma smiled happily when I gave it to her.

We left the house and walked to the school quickly. When we arrived, we saw my daughter, Holly. She didn't say 'hello' to us and she was a bit unfriendly, actually. She told me I was really late.

I missed the children's race, but Harry told me he fell over in it and hurt his knee. When I saw him, he had a bandage on it. He said it was very sore, but he was actually OK. During the volleyball match a dog went onto the field and ran away with the ball! All the children were trying to catch the dog! The dog was very excited and thought it was a wonderful game. Round and round the children ran! The sports teacher looked very unhappy about it! 'Whose dog is that?' he shouted angrily! And he didn't talk about the dog when he gave the children their prizes! But I thought it was a wonderful day! Holly plays for a team called the Sharks and they won, so she was happy too in the end.
