Studying in Canada

A student at King's School tells us what she likes about her English course.

My name's Carmen García and I'm a student at King's School. It's a language school in Vancouver. I'm Spanish, from Madrid, but my mother is French. She's a teacher in Madrid. The students at King's School are from many different countries. Students are from Japan, Mexico, Germany, and Italy. It's really interesting to meet so many different people. The principal is Canadian, but my teacher is American. She's from New York and her name's Helen. She's very nice and she's an excellent teacher. Her classes are always really fun. José and Karl are probably my best friends in the class. José is Mexican, and he's from Mexico City. Karl is from Berlin, in Germany. We always speak English together because that's the best way to learn.
