UNIT 1. BIRTH OF SPAIN
RIVERS OF SPAIN

1. Complete the poem about the rivers of the Iberian Peninsula.

The _____ is in Galicia, its estuary is wide.

The _____ starts in Soria and has vineyards down its side.

Then there is the _____ where galleons once set forth.

But the _____ is the longest, from Portugal to its source.

The _____ feeds the Murcians, with its great alluvial plain.

The _____ keeps Portugal separate from Spain.

The _____ in Valencia meanders east and south.

The _____ in Tarragona has a delta at its mouth.

2. Label the rivers on the map of the Iberian Peninsula.

Guadalquivir | Ebro | Miño | Duero | Tajo | Júcar
