## Possible new resort on western beach.

The local authorities would like todeveloptourism in this area. One suggestion is to turn the western beach area, a popular place for local people, into a luxury resort with a five-star hotel. While this may attract more business, people fear that the beach will be lost to local people. Is this what the community wants? Write to the city council and tell them.

- ☐ **Write a letter IN YOUR WRITING NOTEBOOK to the city council, saying whether you agree or disagree with the plan. Give reasons and suggest what you think should be done. Begin your letter, *Dear Mayor*. When writing your letter think about language. Remember**
- ☐ **to use more formal expressions and vocabulary.**
