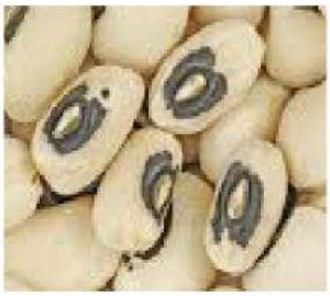
ACTIVITY FRIDAY: BEANS PLANTING

Today we begin an exciting journey of planting at home. Just like the video we just watched, but we will be using beans instead.

The things we will be using today are:



Beans

Cotton wool

Plastic cup or
Cut plastic bottle in half

LIVEWORKSHEETS

Let's begin:

- Pick 4 pieces of beans
- Place cotton wool at the bottom of the plastic cup/ cut plastic bottle

- Sprinkle water on the wool as seen in the video
- Place beans on wet cotton wool
- Cover beans with cotton wool, and sprinkle more water over it.
- Tomorrow, check the cotton wool and make sure it is still damp (sprinkle more water over it if necessary)
- On Sunday, check again to make sure it is still damp
- On Monday, check to see if beans have changed in any way. Take a picture and upload

HAVE FUN!!!
