Investigator's questions	Witnesses' answers
	I'm Mrs Hill's best friend.
	Well... At 6 pm, I was cooking dinner in the kitchen.
	Mrs Hill was preoccupied by a health problem.
	Well... I think I was at home in the library... Yes, I was reading a book when the crime was committed!
	I saw a man running away...but I didn't hear anything.
	He was tall and slim. He had short brown hair... and he was wearing black jeans and a red jacket.
	I was with Mrs Bell... She was helping me.
	I think Mr Peacock killed Mrs Hill because he was jealous.
	I didn't see anyone but I heard loud voices of an argument.
