READING COMPREHENSION

1- He is Zack. He is having a birthday party. Read about it and answer the questions. (5X2=10)

Hi, my name is Zack. I'm 12 years old. I have a small family, my parents and one sister. I don't have any brothers, but I have lots of cousins. I really love sports and soccer is my favorite one. I can play soccer very well. Neymar Jr is my idol. I can't practice other sports because I live in a small town and there aren't sports centers here.

Today is my birthday party. I sent invitations to all my friends. Everybody is here! I am excited! My father is cooking burgers and pizzas. They are delicious! The weather is good so we are listening to music, dancing and playing outside.

My parents are very generous because they gave me some beautiful presents: a ball, an adventure book and a t-shirt. My mother prepared a chocolate cake for me. It's my favorite! We are having fun and I don't want my friends to go home!
