Unit 12 From orchard to factory.

คำชี้แจง : ฟังเรื่อง แล้วเติมคำศัพท์ที่หายไป ดูหนังสือหน้า 137 ประกอบ

The workers grow orange trees in the orchard. They pick or anges and transport them to the factory and the market. Some oranges are sold in the market. Some are preserved as dried fruit or jam. They are packed in different types of containers such as cans, jars, bags, and boxes.

A factory is a place where a lot of products are produced.

They use machines to produce goods. A lot of workers and machines can produce a large number of products.
