**II) Reading**

Read these presentations of two personal blogs carefully. These people are telling about their eating habits.

**BLOGGER**

Hello, welcome to my blog. I'm Nicole. I'm 22. I am a model from Scotland. I live with my sister. My body is very important and I have to eat lots of fruit and salads all the time. I drink three litres of water per day. I really like hamburgers and pizza but I don't eat them. When I have fashion shows I have to look perfect so I eat very little. I like sports, my favourite is tennis. I play tennis on Saturdays with friends.

**BLOGGER**

Hi, my name is Greg. I'm 19 years old I'm American and I'm a football player in Manchester, England. I am very tall. Eating is very important for my profession. I have a big breakfast with milk, cereal, toast and butter because I train in the morning. I have lunch in the club because we train in the afternoon too. On Saturdays we play and before the match we eat pasta. I love it. It gives you energy.
