IELTS Writing 1 – Online Journal

Lesson 11

Directions: On a clean piece of paper, please complete the writing task you began in class. Ask a classmate to read your work and give a couple of suggestions. Revise your paragraph and type it here on this handout. Don't forget to click "Finish" at the bottom of the page to save and submit your work.

Reflection Questions:

- What method did you use to organize your supporting sentences?
- What function does your conclusion sentence perform for your paragraph?
- What are 3 things you have learned in writing class this semester (be specific)?
