My Diary.

Hello, dear diary. My name is Mary and I want to tell you what I did yesterday, 11th May 2020. In the morning, I got up at nine o´clock. I had an orange juice and some toasts for breakfast. Then I got dressed and I started to do my homework. I studied Spanish Language and English. At half-past twelve, I went out with my dad . We went to the park and walked a little around it.

Afterwards, we came back home and we had lunch. After having a rest, I played a board game with my parents. The game was "Snakes and ladders", we had great fun and I was the winner!!. In the evening, I read a little (my favourite comic about superheroes) and I listened to my favourite music.

At a quarter to eight I had a shower. At a quarter past nine we had dinner. Then I watched a movie with my family. And at eleven o´clock I went to bed.
This is a normal day for me. Bye-bye diary!!!!
