3 **Vocabulary** Listen to the words and phrases from the conversation. Then use the context to guess the meanings of the underlined words. Write your guesses in the chart.

Contexts	Meanings
1. My first impression of my new boss was not good. He seemed strict and unfriendly when I first met him, but now I like him.	
2. I don't like getting up at 6 a.m., but I am used to it now because I've been doing it every day for three years.	
3. My neighbors like to travel to exotic places. They like unusual and interesting vacations.	
4. If you don't finish your food in an American restaurant, you can take the remaining food home in a bag.	
5. When I arrived in the U.S., I was amazed by the number of large cars on the road. There were so many! We have only small cars where I'm from.	
6. Our teacher has not given us a lot of homework so far, but maybe she'll give us more next week.	
7. When we finished dinner, we put the leftovers in the refrigerator.	

4 **Comparing and checking** Compare your answers in 3 in small groups. Then discuss your group's answers with the class. Check (✓) the meanings that you guessed correctly.
