GHOST

there's always tomorrow
I miss your touch some nights when I'm hollow
I know you that I can't follow
Since the love that you left is all that I get,
I want you to know

That if I can't be close to you,
the ghost of you
I miss you more than life
And if you can't be next to me,
your memory
I miss you more than life, I miss you more than life

there's always tomorrow
I need more time, but
I'd leave it all behind if I could follow
Since the love that you left is all that I get, I want you to know

That if I can't be close to you,
the ghost of you
I miss you more than life (Yeah)
And if you can't be next to me,
your memory (Oh)
I miss you more than life, I miss you more than life

Woah-oh-oh-oh
Na-na-na
More than life

So if I can't be close to you,
the ghost of you
I miss you more than life
And if you can't be next to me,
your memory
I miss you more than life, I miss you more than life

is ecstasy x3
Youngblood thinks x2
I'll settle for x3
time can't be borrowed
crossed a bridge
