TRANSPORTATION

There are so many ways to travel. The most common way to travel is in some type of motorized vehicle. If you travel with your family and you don't go far away, you could take a car. If you want to go somewhere with a lot of people, you could go in a van or bus. If you need to travel through the water, boats are good transportation. We can go on small boats to travel to a close place. Big ships can take us faraway lands.
