Smartphones and Money

Course book P:29

Listen to two people speaking about the things they can do on their phone.

Decide if the statements are true (T) or false (F)

1. He bought the phone two weeks ago.

2. He plays games on the phone.

3. He can use the phone to pay for things.

4 . You can use it anywhere where you can use a card.

5. You can use smartwatches to pay for the metro.
