My name is Mari Mar, I am 53 years old, I am married and I am Spanish,

I live in Tenerife, Canary Islands.

It is a privilege to born in the Canary Islands, because of its weather, its people, its history.

In my working life I have worked as a nursing and pharmacy assistant.

Currently I do not work, I am just recovering from cancer,

its side effects have left me disabled,!But here I am!.

From my personal life I can say that I am very proud of the family I have,

the one that me and my husband Antonio have built.

We got married in 1985, 37 years have passed, we have had 3 children,

The first is called Oliver and he was born in 1988,

he has two children, a girl and a newborn.

He is a bartender and has won cocktail awards.

My second son's name is Cristian, he was born in 1994,

he is 28 years old and he is studying a computer science degree

And my third son is called Lucas,

he was born on December 24, he is the Christmas baby,

he is 18 years old and studies at the university to be a biologist.

All of my sons are wonderful men with gold hearts.

My hobbies are reading, music, having a good coffee with a good conversation and fishing.

Which we have in common my husband and I.

I am very friendly to my friends and they know they can count on me.
