1. Watch the video and choose right words.

I remember all my life
Raining down **as hot/ cold/ bald** as **fire/ ice/ eyes**
Shadows of a **van/ den/ man**
A **face/lace/ space** through a window
Crying in the **light/night/white**
The night **flies/goes/ runs** into

Morning, just another **way/say/day**
Happy people pass my way
Looking in their eyes
I see a **memory/story**
I never **heard/ saw/realized**
How happy you made me oh Mandy

Well you came and you gave **with/ without** taking
But I sent you **okey/ away**, oh Mandy
Well you kissed me and stopped me from shaking
And I **need/see** you today, oh Mandy

I'm **running/standing** on the edge of time
I've walked **away /again** when love was mine
Caught up in a world of uphill climbing
The tears are in my **eyes/ mind**
And **nothing/ everything** is rhyming, oh Mandy

Well you came and you gave **with/ without** taking
But I sent you **okey/ away**, oh Mandy
Well you kissed me and stopped me from shaking
And I **need/see** you today, oh Mandy

Tomorrow/yesterday's a dream I face the morning...
