le There are about 5000 different kinds .....of..... lizard in
1 the world. Most lizards are small ..... to sit on a
2 person's hand. ..... biggest kind looks more like a
3 crocodile, and is ..... a 'Komodo Dragon'. Lizards
4 that live in trees or in grass are usually green .....
lizards that live in deserts are grey or yellow. Most have four legs
5 and a long tail. Sometimes a lizard loses .....
tail. But another one will usually grow later. Lizards have very

short necks, and ears on the outside of their heads. Some people

6 ..... they are ugly! Lizards see different colours

7 and are very good at ..... the quietest sound. They

8 climb ..... trees or over rocks very quickly and

some can run across water too. Small lizards eat insects. Bigger lizards

9 catch birds or other small animals to eat. A .....

lizards only eat plants. Lizards quickly get cold, so most live in hot

10 countries, ... they can lie in the sun all day.
