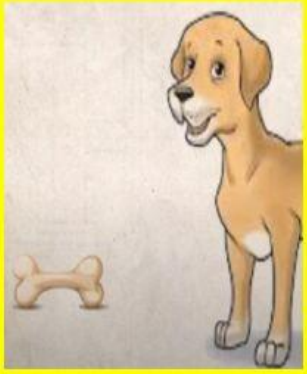
THE GREEDY DOGS

There was a dog that was very hungry.



He searched for food everywhere and at last he found a bone.

He picked the bone with his mouth and started going back to his home.

There was a bridge on the way to his home.

When he started crossing it he saw his reflection in the water.

LIVEWORKSHEETS

The dog thought that there was another dog with a bone in the water.

He wanted to get that other bone too.

So he started barking at his own reflection. His bone fell into the water as soon as he opened his mouth.

The greedy dog lost his bone.

Moral : Don't be greedy
