potential	**borrow**	**lend**	

When I graduated from college, I thought that it was easy to get a job. I applied for a job in many places, but I did not get any. Eventually, I decided to start my own business. I studied IT at the college, so I decided to open a computer shop. I knew that it is very important to know the 1. _____ well before starting any business. I decided to open the shop near the university because I knew that many of my 2. _____ customers will be students. I prepared a 3. _____ of 5,000 rials to open the shop, but I had only2,000 rials with me. I decided to 4. _____ the rest of the money from my father because the banks refused to lend me the amount. My 5. _____ was to earn 500 rials a month in the beginning and I achieved it without much difficulty. It was partly due to the Covid-19 pandemic because all students needed to buy computers to study online. I am happy to say that today I am a successful businessman.
