Where dreams come true

THE PERSON I ADMIRE

Sample essay:

The person I admire the most is Thomas Edison.
Thomas Edison was an inventor from the United States. He was born in 1847 and died in 1931. Edison invented many things. His most famous invention is the light bulb. Thanks to Edison, we can see at night.
Edison was smart and wise. However, I admire Edison most of all because he never gave up on his dreams. He failed many times before he invented the light bulb.
For these reasons, I think Thomas Edison was a great person.
