Read and order the paragraphs. Drag and drop into the corresponding box.

This place is so beautiful. I can't believe how dirty it is. This is a real problem. People should know that there is not planet B. We must take care of the planet!

1

I don't want you to leave Australia sad. To finish the trip let's visit the National Park. So we can see the national animal. The Kangaroo, the most famous animal!

2

We need to help cleaning it up. Animals are suffering and if it continues like that is going to be a catastrophe. The Seekers' Troop listens carefully to the

3

It is a megadiverse country, and its size gives it a wide variety of landscapes and climates, with deserts in the centre, tropical rainforests in the North-east.
