READING about ANIMALS

This is a Lion. It's a big animal. It likes to hunt for its food. They are carnivores. Lions have four legs and a long tail. They are brown. They love to sleep and they are brave. They eat zebras, goats, giraffes, and buffaloes. They also eat small animals like rabbits, birds and reptiles.
Lions are the second biggest cats in the world. The largest is the tiger. They live in Africa and in India. Lions live in groups called prides.
