## 1. Listen and read.

Hi, Haru! Did you have a good weekend?

Yes, thanks. I met a friend and we went to a spring festival in the park. On Saturday, in the morning, we saw lots of colourful kites. There were fish, butterfly and dragon kites.

Did you fly kites?

No, we didn't. My friend made a video And I took some photos. Look! Here's a photo of some kites.

Cool! I love those kites. Was it windy day?

Yes, and it was cold too. I wore a coat and a hat all day. We drank hot chocolate to keep warm.

Did you go home in the afternoon?

No, we didn't. We went to a comic fair. There were some amazing manga artists there. We took more photos and I bought a manga comic. Then, I tried to draw a manga character. Here's a photo! What do you think?

I really like it! You're good at drawing, Haru.

Thanks, Alfie! How about you? Did you have a good weekend too?

Yes, I did. I played basketball with Joel and Megan. Then, my dad bought tickets for our family to go to a music festival here in London. It's next weekend.

Wow! Lucky you, enjoy the festival!
