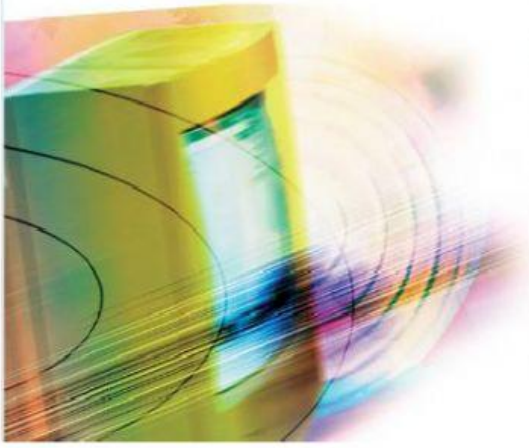
Student _____ Level B2.2

U-3 TECHNOLOGY

Read text in your workbook p.44. In the gaps below questions write a phrase/sentence to prove your answer.

Exam Practice: Reading

1 **You are going to read a magazine article about people who use different forms of technology. For questions 1-10, choose from the people (A-E). The people may be chosen more than once.**



Which person ...	A	B	C	D	E	
can use technology despite a serious personal problem?						1
got in touch with like-minded people through technology?						2
is a member of a club?						3
uses technology to pursue an interest?						4
has had their livelihood improved by technology?						5
has used technology to improve something for other people?						6
uses a particular computer program?						7
intends to go to university?						8
lacked motivation for what they were doing?						9
thinks technology has saved them time?						10

2 **Choose the correct word.**

1 You should **memorise/remember** bank account PIN numbers, then destroy the piece of paper they are written on.

2 The **crew/staff** in the Internet café are really friendly and helpful.

3 Sarah's **chief/boss** says that she will have to work this Saturday.

4 The **service/assistance** in the restaurant was terrible – we waited about half an hour before anyone even took our order.

5 Harry has just **connected/joined** the school computer club.

6 Why don't you **look at/search** the Internet for a good computer course?

7 Kim **counted/measured** the computer desk in the shop to see if it would fit in her bedroom.

8 John thinks that he is **suitable/convenient** for the job.

9 Harry wants to gain some **experience/knowledge** working with computers.

10 Most people believe there are more **benefits/improvements** to the Internet than drawbacks.
