VII. READ THE TEXT.

Wangari lived in a green and beautiful village. After she went away to study, the village became very different. She was sad and started to help the village become green again.

She took seeds from trees, and planted the seeds in her garden. The seeds grew into little trees. Wangari gave the little trees to women and children in her village. They planted rows and rows of little trees. Soon there were figs and other fruits to eat. There was clean water in the little rivers. There was wood for fires to cook food.

Wangari said, " When we plant trees, we plant seeds of peace and hope."

Now, choose the correct answer.

1. Wangari lived in a polluted village.
   a. True b. False
2. After Wangari went away to study, the village became_____
