The Muslims

The Muslims' belief comes from the religion of **Islam**. The followers are called Muslim. The Muslim religion was first actively introduced in The Bahamas in the early 1970s. They believe in the one God who is called Allah, and Mohammed is their **prophet**.

Women and men worship separately, and the women always have their head covered. Their place of worship is called the **Mosque**, and their holy book is the **Qur'ann.**

The teachings of Islam is a non-Christian religion.
