Free time on a space station

1 What does an astronaut do in the evening?

This is Robert Green. He's an astronaut from the USA and he lives on a space station. In the evening, he doesn't work. He reads books and listens to music.

2 What does an astronaut do on Sundays?

Robert doesn't work on Sundays. He plays cards with the other astronauts. He writes emails to his family and he watches movies. He doesn't watch TV. There isn't a TV on the space station.

3 What does an astronaut do at night?

Robert sleeps at night! He has a very special bed. It's not on the floor. It's on the wall and it has a zip. Why does Robert have a special bed? Because there's no gravity in space!
