A: So, do you have any plants for the weekends.
B: Yeah, me and my friends are going to this activity center in the Andes mountains.
A: Oh, yeah?
B: You can do everything. It is a new center; It sound great. We´re going to go hikig.
A: What´s that?
B: The sport of going ´for long, often strenuous, walks in the countryside.
A: It sounds a bit tiring. Have you done it before?
B: No, but I have done something similar: Anyway, we are also going to go cannoning as well. Before you ask, that´s when you jump and swim down a river canyon. You have to use ropes and special equipment. And maybe we´ll go white water rafting too in Napo and Pastaza rivers.
A: It sounds far too difficult to me.
B: They have lost of things that you could do too. Like tubing in Mindo. It is the leisure activity of riding on water on large inflated inner tube.
A: Go down a river ´on a tube! Is there anything else?
B: It is easy and exciting too. You just have to hold on and enjoy the ride. Or there is bungee jumping in Baños.
A: Jump off a bridge on a long elastic band! Me? You have got to be joking! Anyway I´m going away this weekend too. Tank you for asking.
B: I was going to ask. So, are you doing anything special? Where are you going?
A: Ambato! I´m so excited!
B: Ambato, wow!
A: Yeah, it´ll be awesome. Ambato has a Carnival festival where people enjoy seeing a beautiful parade full of floats decorated with fruits and flowers. I am planning to join cultural activities and art exposition. Besides eating delicious food and drinks. You know I prefer culture and art instead of extreme sports.
B: Then I know next time you invite me to a culture and traditional festival and will invite you to get a tubing or rafting ride!
A: Sounds but can I just see it from my seat?
