Eagles and Eaglets
Main Topic, Main Idea and Details Grade 2

Proud Parents

At first the eaglets are helpless. They cannot walk. They need their parents for food. They also cannot see well. Birds are not mammals. They do not have milk to feed their young. They hunt for food. Eaglets also need their parents for safety.

What is the main topic of the paragraph?

Food of Eaglets	Eaglet body parts

What is the main Idea of this passage?
