Unit 3

Travelling

- Taking into account the collocations-expressions we have just seen, read the following story and choose the correct option.

Last night, I had a very strange dream. I decided to walk to school and at the end of our road I discovered a wide river which I needed to **reach-cross**. A ferry arrived, but when I tried to **board-see** it, the captain told me I hadn't **caught-booked** a ticket, so the only choice was to swim!

I swam for a long time, but I didn't **reach-catch** the other side. I could see a light under the water, so I swam down towards it and the next thing I knew, I was climbing out of a bath in the corner of my classroom! The teacher asked me why I was late, so I told her I'd **missed-boarded** the bus. Very, very strange.
