Teacher's Name: _____ Date: ___/___/___ Class: _____.

LISTENING TEST FOR THE SEVENTH LEVEL STUDENTS (First Test)

PART A – In part A, you will hear short conversations between two people. After each conversation, you will hear a question about the conversation. After you hear a question, read the four possible answers in your test sheet and choose the best answer.

1. What does the woman imply?

a) She is interested in what the man has to say.
b) She is disappointed with the kind of news the man reads.
c) She will read the article when the man sends it to her.
d) She has already read the article he suggested.

2. What can be inferred from the conversation?

a) The woman is jealous of his success.
b) The woman thinks he is playing a sport.
c) The woman is a Yale's student.
d) The man is sad because he will study at Yale.

3. What will the man probably do?

a) He will buy a big TV to watch the games.
b) He will watch the games at her house.
c) He will travel to Greece to watch the games
d) He will not watch the games.

4. What does the woman imply?

a) She will keep the man's secret.
b) She is also a professor at Harvard.
c) She is jealous of the man's accomplishment.
d) She is not excited about the news.

PART B – Now, you will hear a short talk. After the talk, you will hear four questions. After you hear a question, read the four possible answers in your test sheet and choose the best answer.

1. Why is Craig Smith qualified to give information on the Pyramids?

a) Because he is Egyptian.
b) Because he works in the Pentagon.
c) Because he is a mechanical engineer.
d) Because he has worked in difficult famous projects

2. How big was Khufu's pyramid?
