The jellyfish joke

Vicky was often a naughty girl and she did horrible things to her brothers. For example, she put salt –instead of sugar- in their tea. She put toy spiders in their beds. She liked anything that made her laugh.

One Sunday she and her family were at the beach. It was a hot day and a lot of people were swimming ion the sea. "Come on", she told her younger brothers. "Let's go in the water!" In her hand she was holding a plastic bag, but no-one saw it.

When they were swimming in the sea she put her plastic bag in the water. It looked like a jellyfish! "Help! Help! She shouted, pointing at the bag. "There is a jellyfish in the sea! Quick! Get out of the water!"

People started to scream. Her brothers were really scared. Soon, everyone was jumping out of the water and running to the sand. "Jellyfish!" they shouted, but Vicky was laughing. She stayed in the sea. "Mmm. This is great," she thought. "No-one else is in the sea. Just me!"

Suddenly she looked behind her. She saw a big jellyfish next to her foot and it wasn't her plastic bag. It was a real one. "Help! Help!" she cried.
