TAYLOR SWIFT OCCUPIES TOP 10 SITES FROM BILLBOARD TOP 100

She is the first artist in history to achieve it

Monday, October 31st

Taylor Swift scored a perfect 10 by becoming the first artist in history to claim the top 10 sites on the Billboard Hot 100 with tracks from her new album "Midnights".

Billboard reported Monday that Swift surpassed Drake, who had the previous record with nine of the top 10 songs for a week in September 2021.

"10 of 10 Hot 100???? On my tenth album??? IT'S SO CRAZY", tweeted the pop star on Monday.

The new album came out on October 21 with a standard 13-track release and a deluxe version with seven additional bonus tracks. It has been one of the biggest album releases in nearly seven years. Billboard also reported that Swift now ties with Barbra Streisand as the female artist with more No. 1 albums.

Number 1 belongs to "Anti-Hero", whose lyrics "It's me/hi/I'm the problem/It's me" has quickly become TikTok's trend. The other 10 main songs include "Lavender Haze", "Maroon", "Snow on the Beach", "Midnight Rain", "Bejeweled" and "Question...?".

The numbers are for the week from October 21 to October 27.
