***) Read the passage about Nga and answer the questions:**

My class has a newcomer. Her name is Nga. Nga is from Hue City. Now her family live in a flat on the eighth floor of a building in Lang Ha Street. It's a nice flat with a large green balcony. When we have free time, we like to visit her house to read books or see cartoons in the living room. Nga is friendly and gentle. She is good at Literature and always gets good marks of this subject. She also likes English very much. She often helps me to practise speaking English after the lesson. Nga has a big English dictionary which helps to find the meaning of the new words. Nga doesn't like playing sports. She prefers drawing or reading books. She draws very well. Next Friday is her birthday. I'll give her a box of canyons and a bunch of flowers. She is a good-natured girl.

1.Where is Nga from?

2.What subjects does she like?

3.What will you give her on her birthday?

4.When is Nga's birthday?
