A. Read the text about Patrick.

Hi, my name is Patrick Thomson and I'm 11 years old. I'm from the USA.
I live in a flat in New York. My house is not very big, but there are two floors. Downstairs there's a very small kitchen, a toilet and a living room. Upstairs there are two bedrooms and a bathroom.
My favourite room at home is my living room. It's very big and comfortable. There's a big sofa where I sit and play video games. Above the sofa there's a picture of my family. There is a table next to the sofa and there is a computer on the table.
