Reading Test Unit 7

Name and Surname:

Class:

1. Read the text. Which statement is true? (2 marks)

A The text is about how to get a job in fashion.

B The text is about different people in the London fashion industry.

C The text gives suggestions about what to wear on a trip to London.

Read the texts. Match headings A–E to texts 1–3. There are two headings you do not need. (3 marks)

A. The Model B. The Shop Assistant C. The Artist

D.The Fashion Designer E. The Fashion Blogger

1_____

Zoe is 18 and she lives in London. Zoe is crazy about fashion. She writes a blog about it. Zoe's blog is very popular – she's got over 100,000 hits on her website. Zoe takes photographs of herself wearing different clothes and posts the pictures online. Many shops give her free clothes to show on her website because she is so popular. She loves London street fashion and often takes photos of what people are wearing, especially if their clothes are unusual. This gives her ideas for her website.

2_____

Kyle makes and designs clothes. He lives in London. When Kyle was young, he watched his mother make clothes. Kyle sometimes helped her. He loved drawing and thinking of new and unusual designs. When he was at school, Kyle's dream was to be like his hero – Picasso. But his love of clothes and fashion stayed with him and he decided to study fashion at university. In 2011, at the age of 25, Kyle

opened his own shop and created a website. Now he spends half his time in the shop and half his time in the design studio.

3_____

Liz is from London. She's 22 and she works in a clothes shop. She loves her job. Liz likes talking to people and helping them find that perfect item of clothing. She knows what looks good on people and she can guess a person's size before they tell her. Liz loves fashion and spends a lot of her time reading fashion magazines. Sometimes Liz works very long hours, but she doesn't mind. In a few years, she wants to open her own shop.

2. Read the text again and choose *Zoe, Kyle* or *Liz. Choose <u>two people</u> to match each statement. (4 marks)*
