SAINT PATRICK'S DAY

Hi, my name is Cian, and I'm Irish, from Dublin, so the Republic of Ireland. Today is one one my favourite days because it is 17 th March and it is ¡Saint Patrick's Day! It is our national day. I am going to go to the big parade in the streets of Dublin, where I live, with all my family wearing green costumes, green hats, shamrocks in our buttonholes.

Then, we will have a big party at home. We have decorated our house green. And we are eating green food! All the food is green: apples, lettuce, cucumber, olives, spinach, pistachio cake, etc. And to drink: green mint with lemonade.
