Unit 1c

Reading exercise:

One day in my life

Today, I go to the park with my mother Danna, because she likes to walk every morning with me.

At home my sister cooks a Delicious meal for me , I like the pizza and the salad. She knows how to prepare them very well.

When I am at school my teacher Fred speaks in English every second and my classmates hear carefully each word. I see his eyes because in this way I think that I can understand him better.
